

In the Face of DISASTER

Are You Prepared?

When: Monday, September 8th

**Where: Russell County
Public Library**

Time: 5 PM CST

September is Disaster Preparedness Month, and we want you to be ready for the next natural disaster to hit Russell County.

Kentuckians have experienced firsthand how natural disasters can occur at any time. Disasters take many forms, and most areas of family life feel their effects. While you have little control over disasters, there are steps you can take before a disaster occurs to keep your family safe. Preparing in advance may be especially helpful when disaster comes with little warning.

Join us for a program on how to prepare your family and home for a natural disaster, learn steps to take if/when one occurs, and learn about emergency preparedness home kits.
